

## Nissan Forklift

Nissan prides itself on achieving complete client fulfillment when their client is enjoying one of their countless trucks, cars or lift trucks. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to providing high value and detail-oriented quality values to their clients. Incorporating a fruitful heritage combined with solid production principals, Nissan Forklifts supply a few of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European manufacturing warehouse in Sweden to sustain their worldwide forklift demands. Committed to delivering customer support, the company has four separate manufacturing facilities that permit them to constantly adapt to their clients continually evolving wishes by providing an array of modern ideas and designs.

The Nissan Lift truck North and South American foundation is stationed in Marengo, Illinois. A dedicated team of 350 personnel is fully committed to the support, design and fabrication of their goods. Working under the ISO-9001 and ISO-14001 certifications, enables every sector of the Nissan Forklift Corporation to sustain environmental responsibility by using systems that limit the global influence of their products and processes. These high standards remind consumers that Nissan operates under the quality seal that their customers require while being an environmentally aware company.

Nissan is quite certain that any of their consumers questions and client concerns directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, reaching one of their locally authorized sellers or even going to their Midwestern office, Nissan Forklift Corporation is sure you will be impressed with their hospitality and dedication.
